

Annual General Meetings of the AEPC and their Edgar Mannheimer Lecturers (World Congresses are not numbered)

Nr.	Year	Venue	Organizer	Mannheimer Lecturer	City of Lecturer	Title of Mannheimer Lecture
1	1963	Lyon	R. Verney	-	-	-
2	1964	Groningen	K. Bossina	-	-	-
3	1965	St. Andrews	H. Watson	-	-	-
4	1966	Helsinki	B. Landtman	Richard E.E.Bonham-Carter	London	A contribution to Cardiovascular Physiology from the Study of Complete Transposition of the Great Arteries
5	1967	Rome	A. Seganti	James W. Du Shane	Rochester	The Natural History and Treatment of Ventricular Septal Defect
6	1968	Munich	K. Bühlmeier	Lars-Eric Carlgren	Gothenburg	The Incidence of Congenital Heart Disease in Gothenburg
7	1969	Zurich	F. Real	Abraham M.Rudolph	San Francisco	The Foetal Circulation and Changes in the Circulation after Birth
8	1970	Warsaw	A. Chrosicki	Berhard Landtman	Helsinki	Clinical and Morphological Aspects of Congenital Heart Disease
9	1971	Dublin	O'C. Ward	Reginald E.B.Hudson	London	Pathology of Dysrhythmias
10	1972	Rhodos	J. Nihoyannopoulos	Henry N.Neufeld	Tel Aviv	Studies of the Coronary Arteries in Children and their Relevance to Coronary Heart Disease
11	1973	Uppsala	M. Michaelsson	Bengt Jonsson	Stockholm	Circulatory Adaptation to Exercise in Congenital Heart Disease
12	1974	London	R. E. E. Bonham-Carter	R.E.Bonham-Carter + J.Stark (replacing David J. Waterston)	London	Management of Cardiac Newborns and Infants
13	1975	Marseille	F.R. Gérard	J. Mathey	Paris	Evolution of Cardiac Surgery in Childhood
14	1976	Istanbul	R. Teoman Onat	John Lind	Stockholm	Human Foetal and Neonatal Circulation
15	1977	Ghent	A. Devloo-Bianquaert	Caroline Bruins	Leiden	Competition between Aortic Isthmus and Ductus Arteriosus; Reciprocal Influence of Structure and Flow
16	1978	Budapest	J. Kamaras	Francis Fontan	Bordeaux	Evolution of Therapeutical Concepts on Tricuspid Atresia
17	1979	Madrid	M. Quero-Jiménez	Luis Becu	Buenos Aires	Hypertension and Arterial Dysplasia in Children
	1980	London World Congress		-	-	-
18	1981	Milan	P. Fancini	Alexander S.Nadas	Boston	Indomethacine and the Patent Ductus in Premature Infants
19	1982	Amsterdam	J. Rohmer	A.G. Brom	Rotterdam	The Surgeon and Surgery of Congenital Heart Disease
20	1983	Bordeaux	A. Choussat	William J.Rashkind	Philadelphia	Pediatric Cardiology revisited: The first fifty-five Centuries

21	1984	Vienna	M. Wimmer, K. Bühlmeier	Paul H.Heintzen	Kiel	Pediatric Cardiology and Biomedical Engineering since Edgar Mannheimer
	1985	New York World Congress		-	-	-
22	1986	Dubrovnik	V. Nedeljkovic	Magdi Yacoub	London	Beyond the Horizon
23	1987	Hamburg	E. Keck, H. C. Kallfelz, P. Heintzen	Jane Somerville	London	Out of the Bleu and into the Pink. Whither Paediatric Cardiology ?
24	1988	Lisbon	F. Sampayo, F. Maymone-Martins, J. C. Areias	Bernardo Nadal-Ginard	Boston	Genetic Regulation of Cardiac Growth during Development and Hypertrophy
25	1989	Prague	M. Samanek	Claude Dupuis	Lille Cedex	The Foundation of the Association of European Paediatric Cardiologists
26	1990	Oslo	P. G. Bjornstad, S. J. Sorland	Nils-Rune Lundström	Lund	Ultrasound in Paediatric Cardiology. Past, Present and Future
27	1991	Geneva	B. Friedli, I. Oberhänsli	Robert H.Andersson	London	Morphological Correlations of Arrhythmias in Childhood.
28	1992	Berlin	J. Bartel, P. Lange	Michael Tynan	London	Catheter Therapy: The changing role of Paediatric Cardiologists
	1993	Paris World Congress		Yves Lecompte	Paris	Malposition of the Great Arteries : A Quest of Unity in Diversity
29	1994	Edinburgh	M. J. Godman, A. Houston, S. Hunter	Jean Kachaner	Paris	Paediatric Cardiology into the third Millenium: Un long Fleuve Tranquille
30	1995	Bologna	F. Picchio, U. Squarcia	Gaetano Thiene	Padua	The Discovery of Circulation and the Origin of Modern Medicine during Italian Renaissance
31	1996	Gothenburg	B. Eriksson	Marc de Leval	London	To Robert M.
32	1997	Stockholm Jointly held with XIXth ESC Congress	Bo Lundell	Robert M.Freedom	Toronto	From Maude to Claude: the Musings of an Insomniac in the Era of evidence-based Medicine
33	1998	Dublin	D. Duff	Elliot Shinebourne	London	Ethical and Legal Aspects of Termination, Consent and Innovation in the Management of Congenital Heart Disease
34	1999	Sofia	V. Pilosoff	Milan Samánek	Prague	Prevalence, Urgency, Survival and Quality of Life in Congenital Heart Malformation
35	2000	Strasbourg	B. de Geeter	Jean Claude Fouron	Montreal	The changing and complex Relationship between the Pediatric Cardiologist and Life
36	2001	Stockholm Jointly held with XXIIIth ESC Congress	S.-E. Sonesson	Arthur Garson Jr.	Houston	From white teeth to heart transplants : evolution in international concepts of the quality of healthcare

372002PortoJ. C. AreiasAdriana Gittenberger de GrootLeidenThe Quintessence of the Making of the Heart

382003AmsterdamJ. OttenkampGary WebbTorontoImproving the care of patients with congenital heart disease: an adult focus
